

The Richmond region is excited and ready to host the **CCL Fall College Showcase** December 11-13! As you plan your trip, check out a few things you should know before you arrive.

The Richmond Region has been proud to play host to a range of sports tournaments – youth and adult alike – and we are excited to host (on and off the field) your upcoming event. While we are prepared for this healthy competition, our primary concern, particularly this year, is for the health and safety of athletes and fans. As you make plans for your trip to Richmond, please know that we are taking every precaution to ensure a safe environment, closely adhering to the guidance offered by Virginia’s governor and Department of Health. Your experience this year may be a bit different, but we are confident that your event can take place in a way that puts a priority on everyone’s wellbeing. We look forward to seeing you soon.

RICHMOND REGION COVID-19 SAFETY STANDARDS

The state of Virginia is currently in [phase 3](#) of the “Forward Virginia” plan to safely and gradually ease public health restrictions while also continuing measures to prevent the spread of COVID-19. Click the link below to learn more about the special standards and protocols that are being enforced and implemented at our hotels, attractions, and restaurants.

- **TRAVEL SAFELY TO RVA:** <https://www.visitrichmondva.com/travel-safely/>

Chesterfield County Parks and Recreation has put a detailed plan in place to implement the state’s guidelines and has taken steps that will be visible at River City Sportsplex. Below are a few of those protocols:

- **RIVER CITY SPORTSPLEX SAFETY PROTOCOLS:**
 - o **Signage:** Additional signage will be placed throughout the facility providing public health reminders and capacity limits. Signage will also be placed at the entrance of the facility stating no one with a fever or symptoms of COVID-19 or known exposure to a COVID-19 case in the past 14 days, is permitted to enter.
 - o **Cleaning High Touch Points:** Facility staff will work to regularly clean and disinfect shared surfaces, restrooms, and high-touch areas throughout the day.
 - o **Social Distancing:** Common seating areas (bleachers and picnic tables) will be removed or roped off as social distancing is being encouraged among tournament participants and spectators.
 - o **Hand Sanitizing and Hand Washing Stations:** Both will be made available throughout the facility.

DINING INFORMATION

Under phase 3 of the “Forward Virginia” plan previously referenced, our local restaurants must strictly adhere to physical distancing guidelines, enhanced cleaning and disinfection practices, and enhanced workplace safety practices. Currently, restaurants may have limited capacity while still maintaining six feet of physical distance (among other restrictions). Many of our favorite local restaurants are open for business through dine-in, delivery, or curbside pickup. Click the links on the next page to find food you can enjoy while you’re here.
